

APPENDIX L
TEST CHARACTERISTIC CURVES
AND TEST INFORMATION FUNCTIONS

Test Characteristic Curve: Biology Grade 10

Figure L-1. Test Characteristic Curve – High School Biology

Test Information: Biology Grade 10

Figure L-2. Test Information Function – High School Biology

Test Characteristic Curve: Chemistry Grade 10

Figure L-3. Test Characteristic Curve – High School Chemistry

Test Information: Chemistry Grade 10

Figure L-4. Test Information Function – High School Chemistry

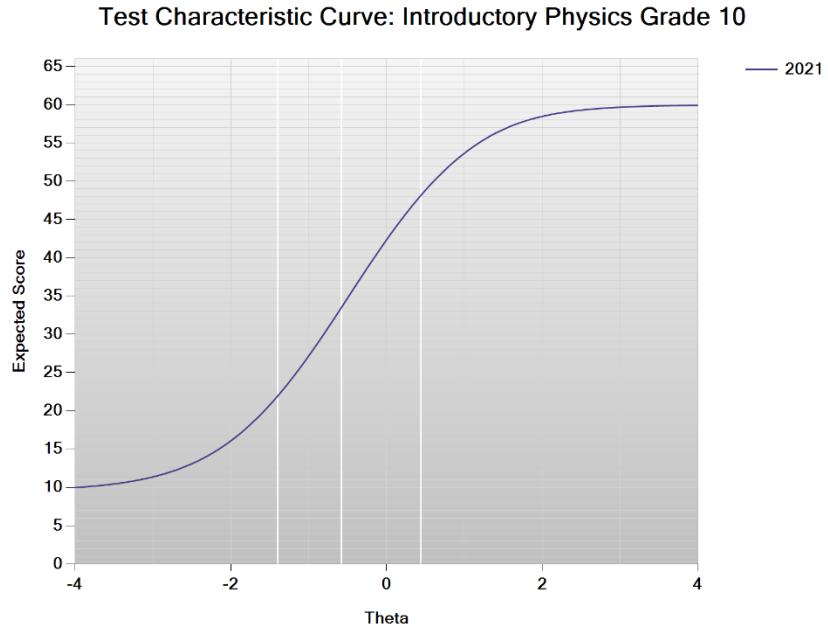

Figure L-5. Test Characteristic Curve – High School Introductory Physics

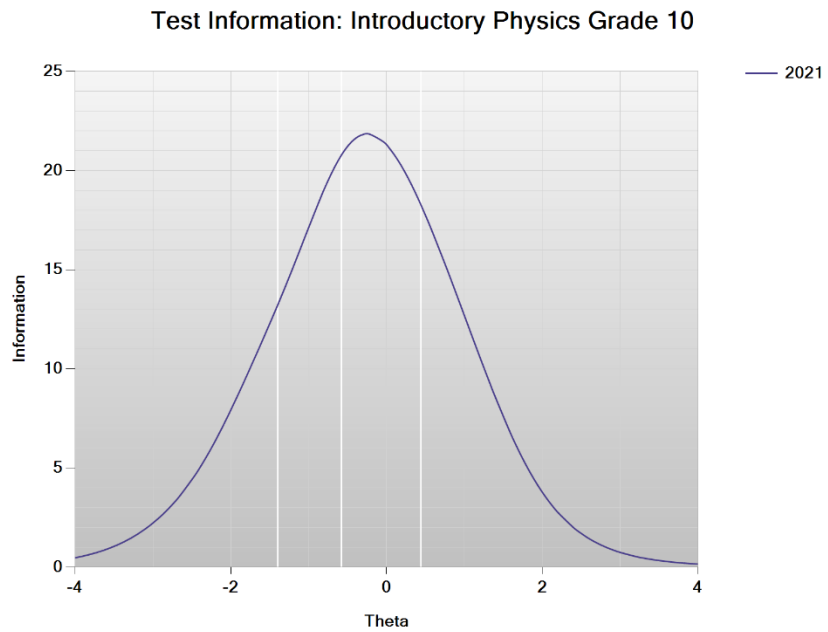

Figure L-6. Test Information Function – High School Introductory Physics

Test Characteristic Curve: Technology and Engineering Grade 10

Figure L-7. Test Characteristic Curve – High School Technology/Engineering

Test Information: Technology and Engineering Grade 10

Figure L-8. Test Information Function – High School Technology/Engineering
